## Fablog holds lectures at the Moscow logistics congress

From 3<sup>rd</sup> to 11<sup>th</sup> February 2005 the Moscow International Logistics Forum (MILF), the largest Russian logistics congress, took place in the capital of the Russian Federation.

Even two times representatives of Fablog from Germany had been invited as speakers. On the opening day Mr. Torsten Brendel lectured about modern logistics solutions in trade and on the 11.02.2005 Mr. Gerhard Evers gave a speech about supply chain solutions in trade.

Already in spring this year Fablog will open an own subsidiary in Moscow and was able to introduce the company to potential customers during this event.

Our photo shows the managing director Gerhard Evers with the director of Itkor and responsible manager of MILF, Yrysbek Tashbaev, on the opening day.
